Annual Report 2018-19

Jai Gurudev!

I have great pleasure in presenting before you the Annual Report. The Annual Report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about our shortcomings. This year has been a very eventful one for us. We have made great efforts to transform ourselves completely according to the latest changes introduced by CBSE and have been extremely successful in all of our endeavors. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our portals should carry forward the values they have inherited, excel in whatever they do and be role models in the society.

SMVM has completed 18 years of journey and has set a bench mark in the history of Chandrapur by raising the academic standard and giving district topper for consistent 3 years in class X board examinations.

Today we have a strength of 1500 students, 75 teaching staff and 70 non teaching staff. We have started Commerce stream in class XI this year and also introduced NSQF subjects in class X.

ACADEMICS:

I wish to begin with our performance on the academic front.

Achieving academic excellence is at the heart of our endeavor as educators. Our Academic achievements reflect a demonstrated ability to perform to the best of our ability by developing our intellectual potentials and skills with diligence and ardor. The biggest Academic Achievement of Shree Maharishi Vidya Mandir this year is the prestigious - British Council's International School Award .I congratulate all the parents for having your ward studying in this school that meets the international standards. Securing 100% results in class X board
